Who are we?

"An independent Electronic Fire & Security company"

Established in 1979, with just a handful of Intruder Alarm Systems, the Company today provides services for thousands of premises across south east England covering a range of disciplines including Intruder, Fire, Personal Attack, CCTV, Access Control, Emergency Lighting and, Fire Extinguishers. We are a privately owned, family run business and are completely self financing. Dedicated to staying in the forefront of technology, the Company continues to reinvest in staff, buildings and development of services thereby ensure the best delivery of services to our clients. Our intentions remain to build longstanding relationships with our clients. This involves listening to their requests and where possible the tailoring of our services accordingly. Our extensive staff selection process, carefully structured development schemes together with our hands-on management team, reinforces our dedication to fostering a long-term loyalty to both the Company and clients. The aim is to have a professional, cheerful, enthusiastic team who have a clear understanding of the needs and expectations of our clients and who are pro-active in our commitment to delivering them. Our office is based in London where you can talk to one of our customer service team to enjoy a more personal touch. We are available 24 hours a day, seven days a week. We have been awarded NSI Gold for the maintenance and monitoring of Intruder Alarms, Fire Alarms, Access Control and CCTV Systems, and are accredited to ISO9001.

How do we collect information from you?

We obtain information about our:

- a) employees when they initially apply for positions in the Company and
- b) clients when they make and initial enquiry for our services and ongoing through the term of the contract services provided.

What type of information is collected from you?

The personal information we collect is usually limited to name, address, email address and contact telephone number(s). In relation to our clients, this may also include keyholders for the systems.

How is this information used?

DATA PROTECTION & PRIVACY POLICY

We may use this information to:

- process an application for employment (including those required for Security Screening checks current at the time of application) and ongoing through employment for such as pensions, personal taxation and the like;
- process enquiries and orders from our clients;
- to carry out our obligations arising from any contracts entered into;
- dealing with system users and keyholders in relation to installed and maintained systems;
- seeking views or comments on the services we provide;
- notification of changes to our services;
- sending of information which has been requested and that may be of interest. This may include information about terms and conditions, system installations, maintenance & monitoring and the like.

We review our retention periods for personal information on a regular basis. We are legally required to hold some types of information to fulfil our statutory or regulatory obligations (for example Security Screening Records are retained for term of employment plus 7 years). We will hold your personal information on our systems for as long as is necessary for the relevant activity or as long as is set out in any relevant contract agreement.

Who has access to your information?

We will not sell or rent information to third parties other than the emergency services or in the case of employees for pensions, personal taxation and the like. **Legal disclosures.** We may, in appropriate cases, voluntarily or where required by law, pass your data to the Police and similar organisations such as law enforcement agencies (including fraud prevention and detection) or other governmental agencies.

We will never share information with third parties for marketing purposes.

Third Party Service Providers working on our behalf: We may pass information to our third-party service providers, agents subcontractors and other associated organisations for the purposes of completing tasks and providing services on our behalf albeit this is normally limited to the Alarm Receiving Centre support systems. However, when we use third party service providers, we only disclose information that is necessary to deliver the service and we have a contract in place that requires them to keep all information secure and not to use it for their own direct marketing purposes. Please be reassured that we will never release any information to third parties beyond the emergency services or approved subcontractors for them to use for their own direct marketing purposes in any circumstance unless we are required to do so by law, for example, by a court order or for the purposes of prosecution or prevention of crime.

Third Party Product Providers we work in association with: Due to the nature of our business, we work closely with the emergency services. The emergency services will only use such details to provide information and carry out their obligations arising from any contract entered into with us. However, we take steps to ensure that everyone's privacy rights continue to be protected.

Your choices

You will always have a choice about whether or not you wish to receive information from us. However, the Company does undertake direct marketing.

How you can access and update your information

DATA PROTECTION & PRIVACY POLICY

The accuracy of your information is important to us. If you change email address, or any of the other information we hold is inaccurate or out of date, please email us at: admin@impulsecsecurity.co.uk or by writing to us at Unit 23 Metro Business Centre, Kangley Bridge Road, Sydenham, Greater London, SE26 5BW.

You have the right to ask for a copy of the information the Company holds about you.

In certain circumstances, such as where the data is no longer necessary for the purposes for which it was collected, you have a right to require us to erase all personal data held about you.

Note: There are a number of exemptions to this right, for example in relation to freedom of expression and compliance with legal obligations.

Security precautions in place to protect the loss, misuse or alteration of your information

When you give us personal information, we take steps to ensure that it's kept securely.

Non-sensitive details (your email address etc.) are transmitted normally over the Internet, and this can never be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, we cannot guarantee the security of any information you transmit to us, and you do so at your own risk. Once we receive your information, we make our best effort to ensure its security on our IT Systems (soft copy information) or held securely in our offices (hard copy information).

System users. Where you have provided a password or passcode for identifying you as an authorised system user, you are responsible for keeping this password confidential. We ask you not to share your password with anyone.

Profiling

We do not analyse your personal information to create a profile of your usage or any other such as interests and preferences so that we can contact you with information relevant to you. We may make use of the information about you in order to provide you with information that directly affects you or in the case of system users, their system.

Use of 'cookies'

Our website does not use cookies to track specific user information.

Links to other websites

Our website may contain links to other websites run by other organisations. However, these are limited to our Certifications/Accreditations namely, NSI, BAFE, Constructionline, FIA, CHAS and the like. This privacy policy applies only to our website, so we encourage you to read the privacy statements on the other websites you visit. We cannot be responsible for the privacy policies and practices of other sites even if you access these using links from our website.

In addition, if you linked to our website from a third-party site, we cannot be responsible for the privacy policies and practices of the owners and operators of that third-party site and recommend that you check the policy of that third-party site.

18 or Under

We are concerned to protect the privacy of children aged 18 or under (although under the GDPR this is currently the under 16's). If you are aged 18 or under, please get your parent/guardian's permission beforehand whenever you provide us with personal information.

Transferring your information outside of Europe

DATA PROTECTION & PRIVACY POLICY

As part of any application for employment or the services offered to you, the information which you provide to us may be transferred to countries outside the European Union ("EU"). These countries may not have similar data protection laws to the UK. By submitting your personal data, you're agreeing to this transfer, storing or processing. If we transfer your information outside of the EU in this way, we will take steps to ensure that appropriate security measures are taken with the aim of ensuring that your privacy rights continue to be protected as outlined in this Policy.

If you access our services while you are outside the EU, your information may be transferred outside the EU in order to provide you with those services.

Website recording

At the time of publication of this Policy, our web site does not use any web site recording service. Should this change then this Policy will be updated to reflect this change.

Your Rights Under Data Protection Legislation

You have various rights under data protection legislation:

- (a) your right to access information held about you. Your right of access can be exercised in accordance with the Act.
- (b) You're right to correct any errors in the information we hold about you, and to change and correct any details you have already given us. Please inform us about any changes to your details so that we can keep our records accurate and up to date.

Review of this Policy

We keep this Policy under regular review. This Policy was last updated in May 2018.
